TexasFireFighting.com is hosting its third annual Public Safety Police & Fire Patch Collectors Show in North Texas on October 3rd, 2009. The site will be the gymnasium at the Cottonwood Creek Baptist Church located in Allen, Texas (just North of Dallas). The address is 1015 State Highway 121, Allen, Texas 75013. Be sure to check www.mapquest.com for a map to the church.

The show hours are from 9 a.m. to 3 p.m. with vendors able to set up their items starting at 7 a.m. that morning.

Admission to the show is FREE! The commemorative patch displayed to the right will be on sale for \$2 at the entrance. You may also obtain one by bringing a new, unused police, fire or EMS patch (preferably FIRE) to trade for it. I do have extras from the first two shows for \$1 each as well.

Door prizes will be given away every hour. In addition, there will be awards passed out for BEST BADGE DISPLAY, BEST PATCH DISPLAY and BEST OVERALL DISPLAY. So bring your collections and show your pride in your service and in your collectibles. The competition will definitely be tough!

Some of the things you'll find at this year's show will include:
